Howdy,

My name is Ryan Montgomery and I am the 2015-2016 Director of Development for CARPOOL at Texas A&M University. You may have heard of us before, but if not I will give you a quick description of who we are and what we do!

CARPOOL is a student-run, non-profit 501(c)3 organization that serves the Bryan/College Station community by providing free, safe and nonjudgmental rides home to those rendered incapable of transportation for any reason. We operate every Thursday, Friday, and Saturday night from 10:00 pm to 3:00 am during the Spring and Fall semesters for the purpose of making the community safer by lessening the impact of drinking and driving. It does not matter if someone is a student or not, Aggie or not, or even intoxicated or not. If they live or are staying in the area and are in need of a ride home, they are able to give us a call! Our service, by providing a safe alternative to anyone needing a ride home, assists in keeping the streets of College Station and Bryan safer for all residents. We have 300 Aggie students who volunteer to give up their nights to serve their community. Every night we refresh our volunteers on safety protocol, provide a free meal, and have a ton of fun together until we start receiving phone calls! CARPOOL strives to become the most effective and sought after designated driver program in the nation through our endless dedication, our unique operations, our commitment to the safety of our fellow students, our focus on our values, and the constant improvement of our volunteers.

I am emailing you today inform you that we are trying to speak at as many Aggie Mother's Clubs as possible this year. We would like to start planning our schedule for visiting different Aggie Mother's Clubs this up coming semester early. Please let me know if you would like us to speak at one of your meetings this fall! We will send another email over the winter break to plan visits for the spring!

Thanks and Gig'em,

Ryan Montgomery

Howdy!

First off, we want to thank you very much for all of your support for us and our organization over the years. This Fall we are doing PR shirts again in which all sales made help go towards our operations and keeping CARPOOL free for our patrons. We are selling both short and long sleeve for \$15 and \$17 respectively. For every shirt sold, we receive \$3 from that sale. Below is our Facebook event as well as the direct link to the online store for Monograms and More. Our goal from this sale is to make \$1,500 dollars, so every sale helps! We would greatly appreciate if you could share both our event and the direct website below with any other clubs you are affiliated with. If you have any questions in which you can help, please email us at publicrelations@tamu.carpool.edu. All information can be found on our Facebook event page! Thank you so much for your help and support again!
