Howdy!

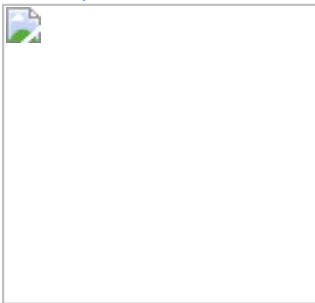

My name is Grace Dansby, and I am the Development Commissioner on the Executive Cabinet of the Student Government Association. I am in charge of all of the fundraising and name branding of the Student Government Association. This year, we are continuing the TAMU Path to Success Brick Campaign, and we are hosting a campus wide event, Aggies Got Talent, that will occur on February 13th.

I was inquiring to see if you would be willing to forward the attached flyer regarding our event, Aggies Got Talent, to your Aggie Moms Club. Additionally, I wanted to make parents of Aggies aware of the opportunity to have an engraved brick on campus. The TAMU Path to Success Brick Campaign allows for the students to have a personalized engraved brick on campus in front of the Koldus building. All proceeds fund organizations within the Student Government Association such as the Big Event, Muster, Traditions, Carpool, and more.

Please do not hesitate to email me at development.tamuexecutive@gmail.com if you have any questions!

Thanks and Gig 'Em,

Grace Dansby '18
