Howdy Dallas AMC!

My name is Jordyn Craighead and I'm a sophomore at Texas A&M this year. I'm contacting you on behalf of the student-led organization MSC LEAD.

For the past several years, MSC LEAD's Community Service sub-committee has put on a project called Whoop For Troops! This project involves a donation drive put on to send care packages to our amazing troops serving overseas. We also get local Bryan/College Station elementary schools to decorate cards for the troops. The care packages this year will be delivered to the troops around Christmas time, so the deadline for donation will be November 6th. We are extremely excited for this project and we want to show the troops that Texas A&M supports and appreciates them.

We would love for the Dallas Aggie Moms to get involved with this service project along with the students here at A&M! I've attached a list we've come up with of useful things that could go in the care packages that we think the troops would really enjoy.

If you are interested in getting involved with this project, please contact me and I will send you more information regarding Whoop For Troops!

Thank you again for not only your time but also your support in the students here at Texas A&M. Hope to hear from you soon! Gig 'Em!

Sincerely,

Jordyn Craighead '18
