PRESIDENT'S PASSBACK

Carol Barke

"Together We Create 2020 Vision"

Howdy, Moms!

It is wonderful to have each of you in our family of Dallas County Aggie Moms! This spring has taught us how important family is, even as we strive to discover new ways to talk with and celebrate with each other.

We honored 16 new Dallas County TAMU graduates with yard signs celebrating Aggie pride, achievement, and their new status as Former Students. Whoop!

Happy Hour has been our virtual way to connect recently, and we look forward to seeing and hearing you on Zoom this Thursday. The online gathering will replace our May meeting and allow us to catch up with each other.

Organizations will benefit from the recent member voting. Thanks to all of you who designated your allocations to Texas A&M student organizations. We will send checks as soon as the results are tabulated.

Our incoming students bring connections with 420 new families. The DCAM officers will begin a texting campaign to share information with these families about the resources and fun they can look forward to with you, our Dallas County Aggie Moms.

Planning continues throughout the summer for next year, and while you'll receive less frequent eblasts and newsletters during the summer, you are still in our thoughts. Keep us in mind, too, as you see the membership renewal information in June. Let's stay connected with our DCAM family.

As I reflect on this spring, it reminds me of one word: WHOOP!
See you on Thursday through Zoom.

Thanks and Gig 'em,
Carol

COVID-19: STAY INFORMED

Visit tamu.edu/coronavirus/ for Texas A&M University's
up-to-date response to COVID-19.

DCAM SUMMER PLANS

Until social distancing recommendations ease, DCAM will continue to meet and gather virtually, and we hope everyone will continue to participate.

We'll contact new Dallas County Aggies who have released their contact information. We anticipate welcoming them to the family in a warm, friendly way.

Moms of sophomores, you can play an important role in the transition of the families of incoming students by offering your experience to them. If you'd be willing to connect with one or more new moms, please contact Taressa at DCAMmembership@AggieNetwork.com.

Honor your recent grad - or any Aggie - by ordering a Century Tree seedling! Mention Dallas County Aggie Moms in the referral section, and DCAM will receive a portion of the sale price for our scholarship fund. Several of our members are successfully growing baby Century Trees in their yards.
